AMENDMENTS TO THE SPECIFICATION

Please replace the current FIGS. 1, 2a-2c, 3 and 4 with the enclosed Replacement Sheets for FIGS. 1, 2a-2c, 3 and 4. The replacement sheets for FIGS. 1 and 2a-2c consist of formal drawings drafted by a competent patent draftsman that clearly show the items from original FIGS. 1 and 2a-2c. The replacement sheets for FIGS. 3 and 4 have been updated to include the English translation of the words "actoren" and "anregungsbereich" which mean "actuators" and "activation" respectively. They contain the same disclosure as the sheets which they replace.
